

Private Parties @
THE GARRYOWEN

Our cozy upstairs bar, **The GO Too**, is the ideal setting for small-group private parties – bridal & baby showers, office parties, rehearsal dinners, etc. We are able to provide a set-up for cocktail hour, a sit-down meal, or buffet options.

The **Gosford Dining Room** is also available for booking! Appropriate for large sit-down dinners and more extensive buffet-style parties, the Gosford is a beautifully-appointed room, exuding the classic feel of a formal dining room.

We also maintain a small **conference room** that can seat up to 10 around a large table, and is ideal for intimate work-based meetings and meals. The room is equipped with a small side bar perfect for a small luncheon or breakfast set up.

We maintain fully-stocked beer, whiskey, wine & cocktail menus, an extensive range of beverages, Irish tea & Ragged Edge coffee. With prior arrangement, we have multiple dining options available for what suits your particular group or reservation.

All of our booking options are assessed on a case-by-case basis, and Jill Alvarez, our Events Coordinator, will work with you in advance to ensure you are provided a memorable experience within your price range.
